INVITATION TO PARTICIPATE

Dear Partner,

It is our pleasure to invite you to participate to the 10th World Congress on Inflammation to be held from Saturday June 25th to Wednesday June 29th, 2011, in the modern convention center "Le Palais des Congrès" strategically located near "Les Champs Elysées" in the heart of Paris.

This congress aims to provide an opportunity to update scientific knowledge and network as well as to emphasize the progress made in all areas of Inflammation since our last meeting held in 2009 in Tokyo, Japan.

With the Local Organizing and Scientific Committees, we are building an ambitious and unique program focused on basic science, applied biology, and clinical research, where state of the art views of the recent advances in inflammation would be fostered. During this 4 day- congress, we will bring together worldwide scientific and clinical leaders, as well as young scientists and newcomers to the field of inflammation, in order to lead lively and interactive debates.

We would be most pleased to welcome your company as a partner, your involvement and support playing a key role to the success of the meeting.

The following pages are dedicated to you with various opportunities for your company to reach and meet qualitative attendees from all over the world, and benefit from an immediate positive effect on your business prospects.

Looking forward to your sponsorship, we sincerely hope you will join us to make this endeavour a great success.

Michel Chignard
Congress Chairman

Access to the exhibition will only be possible to regularly registered conference participants or exhibition participants.

To attend any meeting sessions, exhibition staff will need to register as full delegates and pay the appropriate registration fee.

Sharing of stands

Exhibitors are not permitted to share with others any booth space allotted to them without prior written consent of the organizers.

The signatory renounces to take recourse against the organizers or against the owners of the premises and undertakes to underwrite insurance policies covering all the risks incurred by the material exhibited (theft, damage, etc...) along with public liability covering the permanent or occasional staff employed by the company, present at the congress. In any case, the insurance protection will NOT be given to the exhibitors by the organizers.

Force Majeure

In the event of force majeure, the exhibition dates may be changed or the latter may be purely and simply cancelled. In the last event, the disposable funds after payment of expenses will be shared between exhibitors in proportion to their payments without it being possible to take recourse against the organizer or the producer.

Any expenses resulting from the non-observance of the here-enclosed regulations will be chargeable to the exhibitor. MCI FRANCE reserves the right to change or to complete the here-enclosed regulations but the exhibitors will be informed.
